Challenge Valuation Guidelines

1. The process of Challenge Valuation is applicable for the following CASES only:
 - i) The student can apply for the challenge valuation directly who have **failed** in the concerned theory subject in which he/she wants to apply for challenge valuation as per the notification.
 - ii) The student who have **passed**, they have to apply first for re-valuation and if they are not satisfied with the result of re-valuation then only they can apply for challenge valuation after the declaration of result of re-valuation.
2. The application form for challenge valuation shall be made available for download from University website under Examination Section.
3. A student applying for challenge valuation shall pay fee of Rs.5, 000/- (Rupees Five Thousand only) through Online.
4. A student can apply for Challenge Valuation to the Maximum of **TWO subjects** during his/her entire program/course. If the challenge valuation result in a subject is in favour of the student, the number of chances remains as two subjects, else the student has to forgo that chance.
5. The challenge valuation will be carried out by a Committee consisting of Two Examiners.

Either the student or his/her parents shall be permitted to be present during the valuation. However, the valued answer script shall be shown to the student with the prior approval of Vice-Chancellor of the University.
6. **Result Criteria:**

After challenge valuation, if the difference of original valuation marks and challenge valuation marks is greater than or equal to **10%** of maximum external marks of that subject then the higher of the original valuation marks and challenge valuation marks shall be treated as the final marks.
7. **Refund Policy:**
 - i) In case of students who failed: The challenge valuation fee will be refunded, if the increase in marks after challenge valuation is greater than or equal to 10% of maximum external marks of that subject and should pass the subject.
 - ii) In case of students already passed: The challenge valuation fee will be refunded, if the increase in the marks after the challenge valuation is greater than or equal to 10% of the maximum external marks of that particular subject and there should be change in grade.
 - iii) In any other case the challenge valuation fee shall not be refunded.
 - iv) The amount will be refunded to the candidate within 60 days after announcing the results.
8. The examination section shall issue a notification inviting applications for challenge valuation immediately after the publication of the re-valuation results.
9. In case of any dispute the decision of the Vice-Chancellor shall be final.
