KNOWLEDGE EMPOWERMENT WORLD

“ Intellectuals are not born but are made.”

As knowledge is power, focus must be given in grooming dynamic leaders, not just graduates. Our society needs Enthusiasts with passion to transform India into a “Force to reckon with”. I believe that the aim of Education is the knowledge not of facts but of values.

Sri Ch. Malla Reddy
Founder Chairman

DRDO EXHIBITION - AZADI KA AMRUT MAHOTSAV @ MRUH

Malla Reddy University, Hyderabad organised “Neuro Splash 2K22”, AZADI KA AMRUT MAHOTSAV as a part of DRDO-Industry Academia Interaction Technical Expo, on 17th March, 2022 at Engineering Block. The Defence exhibition was inaugurated by Hon’ble. Chairman Ch. Malla Reddy and Chief Guest Sri. Sanjiv Mittal, IDAS Financial Advisor Defence Services, Ministry of Defence. The prototype missiles namely Akash, Agni, Prithvi Brahmos were showcased and the budding engineers were enlightened with the technical knowledge of Indian Scientists.

Prof. VSK Reddy, Vice-Chancellor of Malla Reddy University has emphasized on the need to keep abreast of the latest technology. Dr. M. Anjaneyulu, Registrar of Malla Reddy University, has extended warm welcome to the chief guest for making his exuberant presence and sharing his profound Knowledge. Dr. D. Pramod, Dean of R&D has thanked the Directors of the various laboratories DRDO, ECIL, BDL and others for their active participation.

The university also organised variety of programmes such as cricket, volleyball, kabbadi, throwball, and many more events in which around 200 teams from 88 colleges took part in the event for two days on March 17-18, 2022.

CELEBRATION OF INTERNATIONAL WOMEN'S DAY

The faculty of MRUH participated in Various events conducted on the occasion of "International Women's Day" on March 8, 2022. The founder Chairman Shri. Malla Reddy and Vice-Chancellor Dr. VSK Reddy have addressed the gathering.

MEMORANDUM OF UNDERSTANDINGS (MOU)

School of Agricultural Sciences has entered into four MOUs with different private organizations like (i) Agri Biotech Foundation on Feb, 19, 2022, (ii) Prathista Industries Limited, (iii) Vaishnavi Biotech limited and (iv) Tripura Biotech Limited on March 19, 2022. These collaborations will help us to exchange alchemic activities.

MRUCET -2022

The admission cum scholarship test was conducted on March 12-13, 2022 as Phase I to offer scholarship worth of Rs 5 Crores to the meritorious students. The Chief guest Sri J A Chowdary chairperson for Blockchain PAN India interacted with Deans and Staff members.

Annual Day Celebration: SPARKS – INTELLIGENTIA 2022

The university organized the first Annual Day celebrations in a grand way with founder chairman Sri Ch Malla Reddy and conducted common university events, and individual departments events in all the schools. The cultural program was organised on March 19, 2022 and that it was coincident day with founder chairman Sri Ch Malla Reddy's wedding anniversary. The annual day in which, well-known singer Mrs Gita Madhuri was the main attraction of the program and the mega cultural event after two years of Covid -19 Pandemic was witnessed by huge participation enthusiastically by large number of students from various colleges and local public. On this day the Newsletter II was also released.

CII – Confederation of Indian Industry

MRUH was the academic sponsor for the Confederation of Indian Industry (CII) organized on March 2, 2022 at ITC Kakatiya, Hyderabad. The delegates from various MNC and industries such as Consulate generals from USA, UK, France and Indonesia apart from Biotech, Cyient, and Nagarjuna group of Industries etc., deliberated their organizational structure and their manufacturing products and career opportunities for the university students.

Collaborations with Foreign Universities

The university likes to collaborate USA, UK, Canada, Germany, and Australia etc for 2+2 and 3+1 credit transfer-based system to get foreign university credentials. In this process officials from Seattle University, USA, Carleton University, Canada, and ProLearn oversees academic consultants Pune visited MRUH and interacted with faculty and students.

SCHOOL OF ENGINEERING

TECHSPARDHA

School of Engineering organized TECHSPARDHA, as a part of SPARKS-INTELLIGENTIA. The various technical and non-technical events were organized such as Poster and Paper presentations, Technical quizzes, Code Debugging, a fun zone with singing competitions.

SMART INDIA HACKATHON 2022

CSE students participated in Internal Hackathon at MRU as a part of SMART INDIA HACKATHON 2022 which was conducted on March 29, 2022.

TECHNOVANZA - 2K22

Technovanza – 2K22, a national level technical fest was organized on 17th and 18th March 2022 by the students in the Department of Cyber Security under the guidance of the faculty of Cyber Security and with the support of the Management. The fest aims to provide a platform for the student community to develop and showcase their technical prowess. In this fest, the students conducted technical events like Ideat, Debate, Code Decode, and Paper Presentations and Non-technical events like Lan Gaming (Pubg), Photography, Short Films, Mono Acting, and Collage Making successfully. Students from various universities and colleges participated enthusiastically and won exciting prizes and certificates.

WEB Design & Development of Bootstrap

The Departments of Cyber Security and Data Science organized a Five-day Workshop on “WEB Design & Development of Bootstrap, CSS, Angular, JavaScript, SASS” January 3-7, 2022.; The Departments of Cyber Security along with Digital Forensics organized a One-day Webinar on the “Importance of Digital Evidence in Cybercrime Investigation” on February 17, 2022.

Website Design and Development

A week workshop on “Website Design and Development of JavaScript, Bootstrap, CSS, React JS, Angular, SASS” was organized by the Department of Data Science & Cyber Security from January 03 to 07, 2022. It was inaugurated by vice chancellor Prof. VSK Reddy and resource person Mr. Ravi Ratnala.

Techno Splurge 2022

Techno Splurge 2022, a technical event, was organized by Dr.N. Sudheer and Mrs. Lakshmi Madhuri in the department of Data Science under the guidance of Dr.G.S.Naveen Kumar, HoD-DS on March 17-18, 2022. The various programs were conducted during the fest like Paper Presentation, Poster Presentation, Tech-Talk, Movie Quiz, Sports Quiz, and Dance O’ Mania.

Dance “o “Mania

The dance event was graced by distinguished guests from television and included a Star Anchor, Ravi, Dr.Guru Sudipita Panda, the Top Final contestant of Dance Indian Dance 2015, and the Brand Ambassador of Telangana Government Cultural Exponent and famous singer, Prudhvi, who sang in RRR movie and Bheemla Naik. The coordinators for the event were Dr.K.Srikanth, and Mr. Naga Mallik.

The Department of AI & ML has organized various programs like Code Hackathon, Poster Presentations, Paper Presentations, Technical Quiz, Photography Contest, Arts & Crafts, Fun Zone, and Haunted House during the technical fest, SPARKS -INTELLIGENTIA from 16 to 18 March, 2022. The programme was guided by Prof. k. Kailasa Rao, Organizing chairperson and Dr. Thayaba Khatoun, Convenor.

SCHOOL OF AGRICULTURAL SCIENCES

Agricultural Exhibition

The exhibition was organized on February 19, 2022 at the School of Agricultural Sciences and inaugurated by Shri. Singi Reddy Niranjana Reddy, Minister of Agriculture and Chairman Shri. C. Malla Reddy, Minister of Labour and Employment and Shri. C. Mahender Reddy, Secretary, Dr.VSK Reddy, Vice-Chancellor, Dr. A.Raja Reddy, Dean, and other prominent Deans and Directors of the University. The chief guest had expressed happiness about the workshop and students have chosen a right Agriculture course and they not only become professional Agripreneurs but, also can create employment opportunities for others by initiating the Agri-business Start-up's in the future time to come.

Gold Medal and Appreciation Certificate

Dr. A. Maneesha, Assistant Professor from the Department of Entomology received the Sri. A. Bucheswara Rao Gold medal for securing the highest CGPA in M.Sc. Agriculture and Appreciation certificate on the occasion of 51st Annual Convocation held at Tirupati on March 4, 2022.

SCHOOL OF MANAGEMENT & COMMERCE

Dr Sanjiv Mittal, Financial Advisor Defence Services, Indian Defence Accounts Service (IDAS) visited the School of Management and Commerce on 17th March 2022. He inaugurated the Confluence 2022 for the School of Management and Commerce. Students had a wonderful time in interacting and asking questions regarding the management job opportunities in the defence sector. Students from the management gave a warm welcome to Dr Sanjiv Mittal in the department with a welcome dance.

Panel Discussion on Union Budget (2022-2023)

A panel discussion was conducted on February 2 2022 among the students on the various sectors of the budget. The panel discussion commenced with the inaugural notes of the Registrar of the university Dr M. Anjaneyulu. The other members of the panel were Dean R & D, Dr Pramod, Director of Training and Career Guidance. Mr Venkata Ramana. K, Dr P. V. Rao H.O.D MBA, Dr Sandra Kirthy, H.O.D Commerce. The team of students belonging to the Agricultural sector stood as winners in the Panel Discussion.

Industry Visit

An industrial visit to the National Institute of Rural Development and Panchayat Raj (NIRDPR) for Bachelor of Business Management students was organised by Malla Reddy University, School of Management & Commerce on February 21, 2022. This visit allowed students to have a first-hand experience of interaction with various verticals of business start-ups and entrepreneurs.

The students were accorded a warm welcome by Dr Pranab Kumar Ghosh Assistant Director (NIRDPR). A brief orientation was given to the students highlighting the purpose of their visit, which set the preface for the visit.

Followed by the orientation, the students were introduced to an amazing array of Industrial sectors blending traditional with modern technologies. The Rural Technology Park sprawling over 65 acres houses sustainable technological units which focus on providing awareness, knowledge and training. The students with all earnest curiosity visited the units such as, National Rural Building Centre (NRBC), Water and Sanitation Technologies, Waste Management Technologies, Organic Farming Technologies, Sustainable Energy solutions and Technology Units.

Invited Speakers

Mr K J Joseph from Bharat Dynamics Limited visited the SOMC to have an interactive session with students of BBA 1st year on Cost Accounting and its importance and Dr L V S N Murthy explained Operations Management and Supply Chain Management to MBA students on February 28, 2022

ISB Hyderabad- Certification Programme:

An opportunity that was utilised by the top tire students of MBA and BBA, School of Management and Commerce, Malla Reddy University, Hyderabad, got a certificate in 15 days of online classes with ISB from 1st March 2022 to 15th March 2022 on various management courses like Statistics, Operations Management, Micro Economics, Macro Economics, Project IT Management, Negotiation Analysis, Accounting, Marketing Management, Managerial Behaviours and so on. A challenging and exciting experience for the students of MBA and BBA students. They all got participation certificates from ISB Hyderabad.

ISB Hyderabad- Indo-Pacific Regional Cooperation Conference

Indo-Pacific Reginal Cooperation Conference conducted by Indian School of Business -Hyderabad on March 10-11 ,2022 attended by SOMC students and faculty. The conference was highly beneficial for the participants to understand Indo-Pacific Regional Cooperation Post Covid-19 World Order.

CONFLUENCE - SPARK INTELLIGENTSIA-2022

SOMC conducted three days excited programs in Confluence- Spark Intelligentsia -2022 for the students. The events such as Business Quiz, Young Manager, New Product Development, Ad-Making, Paper Presentation and Poster Presentation along with cultural Activities, Dress show and Singing and Handcrafted Jewellery, Mehendi Designs and Puzzle Solving Solo were organized during March 16-18, 2022.

SCHOOL OF ALLIED HEALTH SCIENCES

WORLD CANCER DAY

The International day marked on February 4, 2022 to raise awareness of cancer and to encourage its prevention, detection, and treatment. The World cancer day Awareness Programmes were organised by the School of Management and Allied Sciences.

Grooming Session

"Campus discipline and Professional attitude" were Organized for Students by Mr. Venkata Ramana, Director of Career Guidance and Counselling in the month of January 2022.

Field Visit

As part of their Curriculum for Anatomy and Physiology, BPT, BSc Radiology & Imaging Technology, and BSc Optometry students visited Malla Reddy Institute of Medical Sciences.

Orientation Program

An orientation program for the Masters of Physiotherapy Students was organized on Feb, 7, 2022 and addressed by Director, Dr. Chandrakanth Sherole and Deans Dr.K. Aparna, Dr. Malikarjun Reddy.

Freshers Day

The students of all branches have Participated in the Get-together Party in Einstein Auditorium which was Organized on 28.02.2022. The program was addressed Dr. VSK Reddy, VC was the Chief Guest, and Dr. Madhavi Latha, Principal of Malla Reddy Engineering College for Women was the Guest of Honour for the function.

Credit Based System

An Awareness lecture on Credit Based System was organized on March 7,2002 for Allied Health Science students, explained by Dr D Pramod, Dean, R & D and Mr. Venkat Ramana, Director Career Guidance & Placements.

Med-O-Philia

Various Non-Technical - events were conducted as part of University Annual day. Students have Competitively Participated from all units of university. Paper and poster presentation competitions were conducted for UG and PG students as a part of Technical Fest "**Med-O-Philia**" on March 17, 2022. Dr.Laxman Prasad Faculty, Nizams Institute of Medical Sciences Hyderabad, has been the judge for the technical event.

World Optometry Day

World optometry Day was observed on March 23, 2022. In this connection, walk with slogan by optometry students and the staff was conducted on the Campus of MRU.

DEPARTMENT OF ENGLISH

A one-day, online national webinar on “Teaching ESL Writing Skills to Indian Undergraduates” on February 4, 2022. Prof Joseph Dorairaj, resource person from Gandhi Gram University, Tamil Nadu, oriented teachers and researchers about various strategies for effectively imparting writing skills to Indian undergraduate students. The webinar proved to be highly informative and interesting, with 1009 registrations and over 610 live participants from across India and 13 foreign countries. The webinar received excellent, and it was chaired by Dr. Srinivas Suppala and other department members.

Pictopedia

Pictopedia-2K22 (Picture Description Competition) was organized on March 18, 2022. The main objective of this competition was to inculcate healthy competition among the participants to assess their communication skills. another ancillary aim was to offer a platform for them to think creatively and describe the displayed picture critically. The staff members Prof. Akhil Kumar Jha and Mr. Ram Krishna coordinated the program.

Big Debate

The Department of English organized Big Debate on March 17, 2022 to promote the argumentative and communicative skills of the students. The winners are Maddi Sai Lahari, SoE, AI & ML-Sigma, and Riyaz Panjwani, SOE, CSE - Sigma; and the runners-up are Manija Chaudhari, SoE, CSE General- Gamma and D Ganapathi, SOE, AI & ML- Beta. Prof. T Suneeti and Dr. Hanmant were the faculty coordinators.

The Department of Physics, Mathematics, Cyber Security, Data Science and AI & ML jointly organized number of activities such as Paper Presentations, Debugging and Rangoli Technical Quiz, Short Film and Treasure Hunt for the first and second-year B. Tech students during the technical fest from 16 to 18 March 2022. In Poster Presentation, the first two winners, Venkat Hari Phanindra, I-IoT, and P. Meghana, I-AI & ML Delta were awarded the cash prize. In Oral Presentation, the first two winners, Pavitra Rupa, I-AI & ML Delta, and Sohan Mani N, Shivani, I-AI & ML Omega were awarded the cash prize. The short film contest for first-year students was conducted on May 18, 2022 as an event during the Technical Fest.

Vegetable Carving and Dubsdash Competitions of Parusavedi 2022

A two-day Parusavedi fest, along with Rangoli and Pixter, Vegetable Carving and Dubsdash were organized successfully. The Academia of Culinary Arts, Hyderabad carvings astonished everybody.

RESEARCH AND DEVELOPMENT CENTER

New Ph D Awardees

Agricultural Sciences

Dr. P. Anitha was awarded the Ph.D. degree for the topic, “Deblocking filter for High-Efficiency Video Codec using Looping Algorithm”, in the Dept. of ECE, Jawaharlal Nehru Technological University Anantapur (JNTUA) on January 10, 2022.

English

Dr. Narayana Bashyam was awarded the Ph.D. degree for the topic “A Paradigm shift in teaching English vocabulary for employability: An empirical study in the select engineering colleges”, in the Dept. of English, Acharya Nagarjuna University on March 30, 2022.

School of Sciences

Dr. Pallavi Sohal was awarded Ph.D. Degree in Bio-Chemistry for the topic “Mixed Micellization Behavior of Surfactants in Aqueous Medium Containing Biologically Active Additives ” from Guru Nanak Dev University, Amritsar, Punjab. Feb 1, 2022

Mathematics

Dr. K. Sita Ramana was awarded the Ph.D. degree for the topic in Fluid Dynamics, “Bioconvection Flow of a Nanofluid Past an Inclined Wavy Surface” from the National Institute of Technology, Warangal on March 16, 2022.

RESEARCH GRANTS

Agricultural Sciences

1. A consultancy Project entitled "Mapping of Rice Crop Growth Parameters Using Optical Sentinel-2" was sanctioned to Dr P Mahesh in March 2022 from Civil Technocrats Pvt Ltd for a period of 18 months
2. **A seminar grant is received from NABARD to organize a seminar Grant Assistance** on Hydroponics Farming Technology under the R & D Fund.

Collaborated Programs

Malla Reddy University has Collaborated with the Indian Institute of Remote Sensing and was selected as one of the Nodal centres to conduct IIRS-ISRO Outreach Programmers which include training and capacity building programmers. Three training programs were conducted as follows:

1. Workshop on Remote Sensing Technology and its Applications on January 10, 2022,
2. Overview of Geoprocessing using Python on January 17-18, 2022.
3. Training Course on Global Navigational Satellite System and Location-Based Services from Feb 21 - Mar 04 and Hyperspectral and Microwave Remote Sensing Techniques for Geological Studies from March 7-17, 2022.

PATENTS

1. **Dr. BVVS Prasad and Dr. G. Nanda Kishor Kumar, Dr. P. Archana and Mrs. Nirmalajoythy Narisetty** "Digitized Image Processing Technique for Traffic Jam Detection". App No: 202141062057 A, January 7, 2022.
2. **Dr. P. Archana, K Manasa, Dr. U. Sesadri, Dr. Goutham Mamidiseti, Dr. Santhosh Kumar Goud, Mr. Ganta Raju, A Neural - Fuzzy Approach in the Medical Image Processing System**, App No. 202141060844 A, Feb 4, 2022.
3. **Dr. G.S. Naveen Kumar**, "Multi-Tenant Gateway for IoT Devices" App No. 202231005505, March 4, 2022
4. **Dr. Rajasekar Rangasamy**, "A Dedicated Wireless Sensor Network Architecture for Smart City Environment" App No. 202241013862 A, March 25, 2022.
5. **Dr. Arun Singh Chouhan et.al**, A Wearable Device and Sensor-Based System for Healthcare and Security Management Applications Thereof, Design Patent, Patent No. 202111038377, Jan 2022.
6. **R. Himabindu et.al**, "Smart Wearable Device to Monitor the Fetal Health during 3rd Trimester for Pregnant Women", Design Patent, Patent No. 202111061150, Jan 2022.
7. **R. Himabindu et.al**, "Integrated System for Identification of Skin Disease and its Causes Using Deep Learning Techniques", Design Patent, Patent No. 202211006195. Granted on Feb 2022
8. **Vijaykumar Sajjan et. al**, "A System for Cooperative work of nodes in IOT Environment and Method thereof. Patent No 202241003722, on Feb 4, 2022.
