Two Days Hands on Workshop in “**Clinical Research and Medical Writing**”

January 30 and 31, 2024.

**Day 1 - Basics of Clinical Research (January 30, 2024):** Covered fundamental aspects of Clinical research, focusing on Good Clinical Practices, Ethical principles, and the impact of digital technologies on Clinical trial management. After the lecture session, workshop was held where participants were engaged in hands-on training with exercises for clinical trial protocol development.

**Day 2 - Advances in Clinical Research (January 31, 2024):** Explored cutting-edge advancements, including Decentralization of trials post COVID era, AI and Machine learning integration into Clinical Research for ease of conduction of clinical trials. Medical writing which is a booming domain in healthcare sector was also introduced to the delegates. Attendees gained practical skills in narrative writing.

**Highlights:** i) MOU was signed between SOAHS and ClinoSol, a Research career institute  
ii) MOU was signed between SOAHS and Indiglobal Labs Pvt Limited, a Clinical testing research organisation. Students shall have the opportunity to participate in an internship program. GLP, GCP Workshops to be organized in collaboration with School of Allied and Health Care Sciences, Malla Reddy University (at least once in a year).

**Mock interviews** were also conducted for outgoing students of UG and PG programs who participated in the workshop with the purpose of introducing the technical and soft skills. They have understood the broader aspects required for them to face the interviews.

The workshop offered a unique blend of theoretical insights and hands-on experiences, providing valuable knowledge for professionals in the evolving landscape of clinical research. Participants gained practical skills in effectively communicating medical information and narrative writing. As a token of gratitude and honour, guests were felicitated with a memento by our respected Dean Mam. The session concluded with vote of thanks and all the participants as well as the committee members were awarded with participation certificates.
