CARIER OBJECTIVE

Aspiring to work with an organization that offers responsible position

SYNOPSIS

As an Assistant Professor in the department of Digital Forensic Science at Malla Reddy University, I played a pivotal role in educating and training future forensic scientists. I designed and delivered comprehensive courses in forensic science, covering topics such as crime scene investigation, evidence analysis, Dermatoglyphics, Cyber-crime & cyber law, Toxicology, Forensic medicine & forensic Techniques. Additionally, I supervised student research projects and actively participated in departmental research initiatives. My one-year tenure allowed me to impart valuable knowledge and practical skills to students, fostering their interest and expertise in the field of forensic science.

where I can utilize my skills and capabilities to carve a niche for myself and effectively deliver towards contributing to the organization's aspirations and also enhance my personal growth through continual upgrading of knowledge.

WORK EXPERINCE

MALLA REDDY UNIVERSITY (Since October 2022)

Assistant Professor

Malla Reddy University is one of the Greenland private universities in India. It imparts value based futuristic higher education molding students into globally competent empowered youth. Worked as an assistant professor in the institute,

teaching a variety of forensic science related subjects, including dermatoglyphics, cyber-crime & cyber law, forensic physical science and Toxicology. I also served as the institute's syllabus coordinator and Coll poll coordinator and departmental newsletter head.
